

Starfest 2026

August 13-16

Starfest is Canada's largest annual Astronomy Conference and Star Party held at the River Place Campground near Mount Forest, Ontario. This is a 3-day family event from August 13-16. During the day, there are astronomy talks given by professional astronomers and advanced amateurs on a variety of topics. Astronomy Vendor Booths. Swap Tables. An Imaging Contest. Kidsfest. At night, there is observing and imaging under the stars. Join us and your fellow astronomy enthusiasts for this memorable event. Everyone with an interest in astronomy is welcome.
